

22 December 1981

MEMORANDUM FOR: Director of Central Intelligence

FROM: Chief, Interdepartmental Affairs Staff, OPP

SUBJECT: Today's NSC on Poland

1. Ev Hineman just returned from this morning's SIG meeting and brought back the attached papers. These expand upon the subjects in the paper you had for yesterday's meeting. According to Ev, Secretary Haig plans to use the papers as the basis for the discussion on three basic topics:

--actions against Poland

--actions against the Soviet Union

--US political-military responses to Soviet intervention or massive regression. [redacted]

25X1

2. These papers may be made available at the meeting, but Ev was unsure of what the plan is. Meanwhile, Ev is available to fill you in on some of the details of the SIG discussion if you want to meet with him after reading through these papers. [redacted]
